1. Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

(Intact lead-based paint that is in good condition is not necessarily a hazard. See the EPA pamphlet *Protect Your Family From Lead in Your Home* for more information). The Purchaser is not obligated under the Contract of Sale to purchase the property until the above 10-day deadline has expired.

THIS CONTINGENCY WILL TERMINATE AT THE ABOVE 10-DAY DEADLINE UNLESS THE PURCHASER (OR PURCHASER'S AGENT) DELIVERS TO THE SELLER (OR SELLER'S AGENT) A WRITTEN CONTRACT ADDENDUM LISTING THE SPECIFIC EXISTING DEFICIENCIES AND CORRECTIONS NEEDED, TOGETHER WITH A COPY OF THE INSPECTION AND/OR RISK ASSESSMENT REPORT. The Seller may, at the Seller's option, within five (5) calendar days after delivery of the addendum, elect in writing whether to correct the condition(s) prior to settlement. If the Seller will correct the condition, the Seller shall furnish the Purchaser with certification from a risk assessor or inspector demonstrating that the condition has been remedied before the date of the settlement. If the Seller does not notify the Purchaser of the Seller's election to correct the condition within such 5-day period, the Seller is deemed to have elected to not correct the condition. If the Seller does not elect to make the corrections, or if the Seller makes a counter-offer, the Purchaser shall have three(3) calendar days to respond to the counter-offer or remove this contingency and take the property in "as is" condition or this Contract of Sale shall become void. The Purchaser may remove this contingency at any time without cause.
